

Ground breaking ceremony of India's First Multi-story Gau Hospital by Haryana Ex Chief Minister Sh. Manohar Lal Khattar.

Lighting of lamp by Bhagwat Katha Orator Shri Sanjeev Krishna Shastry,
Puja Tanay Krishan ji and Puja Anirudhacharya ji Maharaj.

Ex Chief Minister of Haryana, Sh Manohar Lal khattar ji did Gau-Pooja and laid down the foundation stone of new Multistory Gau-sewa Dham Hospital on the auspicious occasion of Gopashtami. He praised commendable works done by Devi Chitralkhaji ji, founder of Gau seva dham. He also fed jaggery to Gaumata and took blessings of her. He expressed his gratitude by saying "he is feeling very fortunate to get a chance to come in Gau seva dham and experiencing such a wonderful selfless service of Gaumata. He also said " Doing human service is very common but doing service of animals and birds by opening such a hospital for them is very rare thing ".

Ex Chief Minister sh Manohar lal khattar with puja sampurnanand ji maharaj and lokesh muni ji, observing works of Gau seva Dham Hospital.

Like every year, this year too, Gopashtami is celebrated with full fervour. Bhandara (56 bhog) is organised for Gau-mata and vegetables, sugarcane, Roti, porridge provided to nearby gaushala as well. 7 days Shrimad Bhagwat katha is preached by Devi Chitrলেখা ji on this occasion. Lots of Brij-bhoomi saints came and expressed their views on selfless service of Gau seva Dham Hospital.

Saints, Bhagwat-katha preachers and Renowned people arrived in Gau Seva Dham Hospital.

Pujya Shri Amrtanand ji Maharaj

Pujya Shri Aniruddhacharya ji Maharaj and Shri Sanjeev Krishna Thakur ji Feeding bread to sick dogs.

Pujya Shri Tanay Krishna ji

Shri Saleem Marchent ji (Music Director & Singer)

Shri Vipul Goyal ji (Ex Cabinet Minister, Haryana Govt.)

Shri Shubhankar Mishra ji (News Anchor)

Shri Devendra Singh Babli ji (Development and Panchayat Minister, Haryana Govt.)

Patanjali-Ayurved Chairman, Pujya Balkrishna ji arrived at Gau Seva Dham Hospital.

According to puja Balkrishna ji "in Indian sanaatan culture, cow is considered as mother because it gives life to us in the form of milk, butter, Gau-mutra and many more. That's why Gau-mata is given a special place in our culture and we should serve her in every possible way. We all know this and accept this, but when it comes to serve her practically we all take a back step. But Devi Chitralekha ji's efforts through Gau seva dham are exemplary and commendable in this regard. And when more like minded people will join, it will make a big difference in our society. We wish and pray to God that her efforts remain continuous with much more pace. And people like her parents, husband, brother, wellwishers, her Disciples, Gau seva dham doctors and working staff those who are providing their support are very fortunate because of being a part of such a pious mission."

A Person do every possible efforts for its own survival but giving life to others is a real mankind.

- Pujya Acharya Balkrishna ji

Pandit Pradeep Mishra ji during their visit to Gau Seva Dham Hospital.

Taking information of modern lab of Gau Seva Dham Hospital.

Taking information about Gau Seva Dham Hospital.

Felicitated by general secretary of GSD Hospital pratyaksh sharma.

Chhattisgarh Ex Chief Minister Bhupesh Baghel reached in Bhagwat Katha program and took the blessings of Devi Chitralekha ji.

Some services of Gau Seva Dham Hospital.

Monkey named Mr Myagi got new life.

Limbs are very much essential for living for everyone. This monkey named, Mr Myagi, lost its one leg and one arm due to electrical shock. It's survival chances were very less and he lost his desire of living as well. But due to efforts of our medical team, today Mr Myagi is living a healthy life even without one leg and one arm.

Gau Mata came from Bareilly in Uttar Pradesh, 300 kilometers away from here.

One gau-mata came from Bareilly in Gau Seva Dham Hospital. it's hump was completely torn-off. Around 11:39 PM, our ambulance team reached at site and seeing critical condition, gave her first aid on the spot. Next day our ambulance team fetched her to Gau Seva Dham Hospital, where medical team immediately started taking care of her. Her hump was severely wounded and bleeding profusely. But due to proper medical care of our doctor's team, gau-mata recovered in few months and sent to nearby gaushala.

A calf injured one leg due to high speed vehicle -

These days frequency of fast moving vehicles has increased. This calf got wounded by fast moving vehicle and left behind to die. But one passerby informed Gau Seva dham ambulance team about this incident. Our ambulance team fetched him to Gau seva dham hospital. It's leg bone was completely smashed. But the bone was joined by inserting a rod in his leg and after treatment now calf can stand of that leg and taking proper meal.
