### Introduction of Devi Chitralkha Ji

The great divine soul, Devi Chitralkha Ji, was born in a pious Brahmin family on 19th of January 1997. The village Khambi, is situated in Braj-bhoomi in district Palwal, Haryana in India. At the age of 4 years, Deviji was initiated by the Great Bengali Saint Shri Shri Giridhari Das ji Maharaja. Like divine saints, Deviji started preaching the Shrimad Bhagwat and Harinaam Sankirtan world widely at the age of 7 years. Deviji has completely dedicated her life to "Gau Mata" (Holy Cow), the loved one of Lord Shri Krishna. Since childhood, Deviji's dedication for cows, led her to establish a Hospital seeing the miserable condition of cows, named "Gau Seva Dham Hospital and Research Center". In order to achieve her goal, Deviji is preaching Shrimad Bhagwat Katha and doing Harinaam Sankirtan for 16 years.

## Glimpse of Service Running at Gau Seva Dham Hospital

Acid Burned

Checked by Doctor

Mean men leave their cows to the vagabond after milking them. where no one remains to take care of them. In such conditions poor cow keeps moving here and there and becomes a victim of sharp edges. It makes cow severely injured. But Gau Seva Dham Hospital brings such cows and offers them proper treatment.

## Akhand harinam sankirtan is running in the guidance of pandit Tikaram Swamiji

Shree hari naam sankirtan, operated in the vicinity of pt. Tikaram swamiji, president of world sankirtan tour trust, which is operating 24 hours in braj region and different places and in brij village khambbi. Akhand shri harinam sankirtan is replaced with drum and gaaj baaje. Devotees come from far and away, joining this sacred harinam sankirtan yatra, become part of the virtue. This sankirtan tour has so far traveled in areas like mathura, vrindavan, nandgaon, faridabad, ellenabad, bihar, orissa, jharkhand, chhattisgarh, prayagraj kumbh etc. Pujya devi chitralekha ji's father shree pt. Tikaram ji told that to spread the message of akhand sri harmanam sankirtan yatra, in the stressful life of the present time, remembering the name of hariman in a while, it can make your life peaceable. .

### Some scientific proof of the glory of God's name-

1. Naham basami baikunthe, yogina hirnyen cha !  
mad bhaktah yatr gayanti tatr naradah !!

**Ans. :-** Oh Narada, I neither live in Vaikuntha (Heaven) nor in the hearts of yogies. I reside and stay in the premises. Where my devotees sing song in my praise.

2. Harernam harernam hrernam kevalam !  
kalo nastyev-nastyev gatiranyatha !!

**Ans. :-** The only meaningful & dependable thing in the age called kaliyug is God's own name. Hari.

3. Gokotidanam grahdeshu kashi, Maghe prayage yadi kalpvasi !  
yazyayutum merusvarndanam, govind namna na bhavet cha tulyam !!

**Ans. :-** Be it the donation of a crore cows at the time of eclipse in kashi, or an unbroken stay in the month of magh in prayag for a whole kalpa, or ten thousand yujnas, or charity equal to the worth of golden mountain sumeru, they can never outweigh the virtue created by the chanting of govinda's (God's) name

## Removed around 50 kg plastic inside cow during surgery

Recently, Gau Seva Dham Hospital Ambulance brought a cow from bypass nearby Faridabad (Delhi). Cow was suffering from diarrhea, hunger and so much pain due to swallow up the garbage for a long time. After diagnosis, experts found the cow suffering from TRP (Traumatic Reticuloperitonitis). So the team decided to kept the cow under treatment for 5 days and they done it on 6th day with Exploratory Rumenotomy Surgery in cow. After surgery they found around 50 kg polythene, needles, coins, blades and so much harmful elements from abdomen of cow.

## Be blessed by "Tuladaan"

Tuladaan is known as the most pious work in favor of cows. Tuladaan leads an important part in human life since ancient times. When an individual faces the worst circumstances, when all the solutions are useless, then he can get relief only by "tuladaan." Someone who is kept with critical illness, pitr dosh, grah dosh, simply donates something equal to his weight in favor of cows for the prevention. You can also come at gau seva dham hospital to donate something for cows as tuladaan.
